

# WHY NOW MICRO

## FOR PHYSICAL SECURITY

Now Micro knows what matters. Uptime and reliability drive meaningful physical security, so we deliver solutions that reduce risk, simplify deployments, enhance performance and help you build a strong reputation that earns and retains more business. Guided by our core principles of responsiveness, collaboration and innovation, our team empowers OEMs and systems integrators to meet the challenges of now while preparing for what's next.

### Purpose-Built

Tailored, high-performance hardware for security environments, ensuring seamless integration and future-ready scalability.

### People-Driven

We're an extension of your team, offering a collaborative, hassle-free experience that you can count on.

### Powered by Innovation

We combine cutting-edge technology with forward-thinking solutions, constantly transforming decades of customer feedback into problem-solving products.

Now Micro physical security solutions are purpose-built to address the critical needs of modern security environments. From managing high-volume surveillance data to securing physical and digital access points, our solutions are designed to deliver the reliability, scalability and efficiency you need.

- **Video Recording:** Optimized to reliably collect surveillance footage with precision so you can capture every moment with confidence.
- **Workstations:** Built for real-time situational awareness during critical events, ensuring operators can assess threats and take action when it matters most.

- **Management:** Secure platforms that ensure recorded footage is protected, indexed and instantly accessible no matter the camera count.
- **Access Control:** Protect people, assets and networks with secure, reliable solutions designed to safeguard every entry point.

## BECAUSE NOW MATTERS

**PARTNER  
FOR SUCCESS**

**REDUCE  
RISK**

**SAVE  
TIME**

**INCREASE  
PROFIT**

**MAXIMIZE  
EFFICIENCY**

### Effortless Device Management

Every Now Micro solution comes equipped with DICE technology, offering OEMs and integrators a powerful suite of tools that streamlines deployment, reduces downtime with remote monitoring and simplifies asset management through a single, intuitive portal.

## IT ALL STARTS NOW

When every second counts, trust Now Micro to deliver purpose-built solutions, backed by people who care and powered by innovation.
